Testimonials - What People are Saying

I'd strongly recommend Geoff for web/graphic design/forms. He is very prompt and professional. He thinks out of the box, is articulate, dedicated to detail and is always working/tweaking to find that extraordinary look for the finished product.

Randy J. Stollery – CEO Concierge Services

Working with GD Interactive has been great. I appreciate their transparency and honesty on the work they provide as well as the expertise they bring to digital marketing and measurement. They are always looking for new ways to improve results for us. GD Interactive is a company that I trust and can fully recommend.

Yana Sheshukova – Teddy's Restaurant

Geoff is very attentive to detail and does a great job of creating a website that is customized to our individual needs. The support he has given our club through building and maintaining our website has been phenomenal.

Chris Hengen-Braun – Saskatoon Hilltops

Geoff Dean at GD Interactive has been able to clean up our pairsgolf.com website when other website developers could not. I would highly recommend Geoff to my friends and business associates for any of their website needs.

Richard Patterson – Meta Golf

If you are looking for a website builder with a successful track record and a strong desire to please his customers you need look no further than GO Interactive. Geoff at GD Interactive understands the challenges of small business and the need to put your best image out there on the internet.

Donna Dahl – Memory Speaker

Working with GD Interactive has been a pleasant and beneficial experience. Geoff provides concise and cost effective solutions to the constantly evolving technological components of business.

Tom Suggitt – Suggitt Communications

I must say, dealing with Geoff's company since 2001 has been excellent and appreciated. His prompt deliverance and user friendly commitment to my projects has put my stress at ease. He is very good at what he does.

Frederick Turbide – Novel Notion Advertising

Not only are his prices reasonable, but he is too, and always seems to be able to find a way around whatever hurdle I give him. His attention to detail is impeccable. I would put him in the top five web designers in Edmonton.

Rob Pasay – BugByte Corporation

We needed a website that would set us apart from all the other beauty salons in the Edmonton region. Geoff delivered, creating a look and feel that reflects our cutting edge style that our clients love.

Nancy Brown – Hair Flaire Hairstyles

By creating an easy to navigate mobile version of our company's website. Geoff was able to keep our company relevant in the optical market place.

Alvin Thomas – Sunclip Express

When our company decided to branch out into marketing sunglasses using ecommerce, there was only one person to call. Geoff.

Brendan Guse – Sunclip Express

I have worked with Geoff for more than 10 years and I am always highly impressed by him. He is professional, reliable, and courteous. His response time is amazing and he is extremely patient. I would highly recommend his service.

Kerrie Gavin – Bronze 1 Tanning

The entire process of creating my website with Geoff was excellent. From the initial conversation to the ongoing customer support ... it has been more than I could have asked for!

Cara Hess – Cappos Outfitters

GD interactive has been providing our website hosting and maintenance for over 5 years. We have been extremely happy with the level of service and quick turnaround on any updates we need. I would highly recommend them.

Dave Macintosh - CUT Casual Dining
